Dear Students / Parents

We are about to enter a period of uncertainty and to this end, Westwood Lodge has prepared as best as possible.

1. Many of our students have returned home for the lockdown period which, fortunately, part-coincides with the normal University holiday break. We wish them to remain safe and to fully follow the lockdown regulations as set out by government.
2. The many students remaining at Westwood Lodge will be subject to the same rules that apply to the rest of the country namely : Stay at home; no gatherings, no deliveries, keep your distance etc. These rules have been provided to the students and will be enforced.
3. Extra data has been provided to our resident students to help them remain in contact with their loved ones but also to help them stay entertained.
4. Our security staff will continue to provide their services at all times. Access has, however, been tightened and no visitors, deliveries or non-essential person will be permitted access to the Lodge for any reason. Only essential deliveries will be permitted to be delivered and they will be delivered to the gatehouse and not to the Lodges.
5. Our cleaning staff are subject to the lockdown so cleaning services will be suspended, and it will be for the residents to please keep their own Lodges CLEAN AND TIDY at all times. They will also be required to put out their garbage for the municipality to collect on a Monday and Wednesday morning. This is important for the well-being of all of our residents.
6. The pool and entertainment areas have been closed until further notice.
7. Please continue to PAY your Contract Fee as per normal so that you do not fall behind with your payment as we are also required to continue to pay our support staff and to keep the operations running. The Contract remains in place.

Whilst difficult and different, we do know that this disaster will pass and that things will return to normal. We, unfortunately, cannot provide any long-term answers at this stage but we will continue to monitor the situation as it develops.

In the meanwhile, we remain open – remotely – so please direct any queries that you may have to :

We wish you the best for this period and look forward to having all of our students back at the Lodge and at University. Take care and see you all soon.

Kind regards
Westwood Lodge
